Preface

Children learn more in a language that they are familiar with. With that in mind, an effort in the form of *Islamic Studies: Book – 1*, is being brought out for students whose first language is English. This book is meant to be taught for Kindergartners.

The contents of this book are commonly taught orally in madrassah and schools. It was felt to compile it as a book, so that children can get more involved in this subject through activities provided.

We seek forgiveness from Allah for any wrong contained herein. And seek increase in blessings for the goodness contained herein. And May Allah make this book useful in this world, and as a means of earning His Pleasure, and for a place in *Jannathul-Firdaws*. *Aameen!*
